Well, we have the solution. Sign up for the singles tennis ladder and play at your convenience. The only expense is half the court time for an hour and a can of balls. You only play twice a month. All level of play is welcome! Text 304.550.7780 and start playing. More details can be found on the Challenge board that will be hanging in the lobby of the CTC court area for courts 4-6. – Sharon Seidler Ladder Coordinator
